

## How to Renew your Membership

To enrol in courses, you must be a current financial member.

Unless you need to change any of your details, renewal is a simple process of paying your membership for the coming year. We prefer renewals to be done online. If you are unable to renew online, please contact our Membership Coordinator at <u>membership@sohiu3a.org.au</u> or call 99906650 and leave a message.

## Members with partners please note:

As a Membership invoice is generated for each member, separate online payments are required for each member.
